

EXHIBIT B

PROCEDURES AND REQUIREMENTS

LOCAL ENFORCEMENT AGENCY GRANT PROGRAM

Fiscal Year 2008/09

EA 19 LEA Grant Cycle

Public Resources Code Section 43230 mandates the administration of grants to local enforcement agencies to carry out their solid waste facilities permit and inspection programs. These Procedures and Requirements, which are incorporated by reference into the Grant Agreement as Exhibit B, include but are not limited to, the instructions for obtaining payment of the grant, the reporting requirements, and the fiscal control procedures to be followed in implementing the Local Enforcement Agency (LEA) Grants. These Procedures and Requirements and the accompanying Terms and Conditions (Exhibit A) shall remain in effect for purposes of implementing the LEA Grants during any interim period between the end of the EA 19 LEA Grant Cycle on June 30, 2009, and the execution of a new Grant Agreement governing the EA 20 LEA Grant Cycle for Fiscal Year 2009/10.

The Grantee will receive a base grant of \$15,000 plus an additional amount based on the population of the jurisdiction served by the Grantee and the number of active, permitted solid waste facilities located within the jurisdiction.

PAYMENT TO GRANTEE

As provided for in the Terms and Conditions (Exhibit A), the California Integrated Waste Management Board (CIWMB) may, at the discretion of the CIWMB Grant Manager, advance up to ninety percent (90%) of the grant funds to the Grantee. The remaining ten percent (10%) shall be reimbursed to the Grantee upon satisfactory completion of the Grant Agreement.

To be considered for the ninety percent (90%) advance payment, the Grantee must return the signed Grant Agreement within ninety (90) days from the date recorded on the Grant Agreement package cover letter and a completed Grant Payment Request form (CIWMB 87). This form may be found at <http://www.ciwmb.ca.gov/Grants/Forms/> or may be obtained by contacting the CIWMB Grant Manager.

The designated signature authority, or his/her designee, if authorized in the resolution, must sign the Grant Agreement and Grant Payment Request form.

Payment will be made only to the Grantee. It is the responsibility of the Grantee to pay all contractors and subcontractors for purchased goods and services.

Upon receipt of advanced grant funds, the Grantee shall deposit and maintain until expended all grant funds in an interest-bearing account within a federally insured financial institution. Grantee shall maintain a separate accounting system for the grant funds including the earned interest. Any earned interest must be tracked for reporting purposes as discussed in the INTEREST section below.

Grant funds must be used for eligible costs as described in the Eligible Costs section below and must be spent in the following order:

1. Advance payment
2. Reimbursement payment [(ten percent [10%] withhold)]
3. Interest earned on advance payment

Any unspent grant funds or unspent earned interest must be returned to the CIWMB by the end of the Grant Term.

COSTS

Eligible Costs: All costs must be directly related to the implementation of the solid waste facilities permit and inspection programs as set forth in the approved projected budget report. Costs must be reasonable and cost-effective. Eligible costs may include staffing, training, education, and travel within the State, consulting services, and purchase of equipment or materials.

Travel and per diem reimbursement is limited to a maximum of the State rate as described in the *California State Administrative Manual*. Please consult the CIWMB Grant Manager for guidance.

Personnel expenditures must be computed on the actual time spent on grant-related activities. For calculating total personnel expenses for each employee, the expenditures should be broken out by the classification(s) of the employee(s), the hourly wage, fringe benefits rate, and number of hours worked on grant-related activities. These records must be available for audit purposes.

Changes to Approved Budget

Grantee is not required to receive pre-approval for changes to the approved budget unless and until the total amount of all changes equals \$5,000 or 10% of the grant amount, whichever is less. The Grantee must notify the CIWMB Grant Manager within thirty days after any such changed expenditure is made.

The Grantee must obtain written pre-approval from the CIWMB Grant Manager for all changes to the approved budget once the cumulative amount of changes equals \$5,000 or 10% of the grant amount, whichever is less. Please retain all approvals in your grant file for audit purposes.

Ineligible Costs: Any costs not directly related to the implementation of the facilities permit and inspection programs as set forth in the approved budget are ineligible. Ineligible costs include, but are not limited to, the following:

- Costs incurred prior to or after the grant term dates
- Costs currently covered by another CIWMB loan, grant or contract
- Purchasing or leasing of vehicles for non-governmental entities
- Overtime costs unless pre-approved in writing by the CIWMB Grant Manager
- Out-of-state travel, unless pre-approved in writing by the CIWMB Grant Manager
- Any food or beverages (e.g., as part of meetings, workshops, training, or events)
- Any costs that are not consistent with local, state, and federal guidelines and regulations
- Overhead and indirect costs
- Cleanup of illegal dumping
- Landfill operations

- Any personnel costs incurred as a result of time an employee assigned to the solid waste program does not actually work on the solid waste program (e.g. use of accrued vacation, sick leave, etc.);
- Any pre-paid expenditures for future goods or services delivered after the end of the grant term. (Exemption: The CIWMB Grant Manager may consider approving products purchased in full before the end of the grant term but delivered after the grant term if the delay is caused solely by the supplier and not the Grantee. The Grantee must request an exemption in writing and receive written approval from the CIWMB Grant Manager.)
- Any other costs not deemed reasonable or related to the purpose of the grant by the CIWMB Grant Manager.

All expenditures are subject to audit. Please contact the CIWMB Grant Manager if you have any questions concerning eligible costs.

REPORTING REQUIREMENTS

Failure to comply with these reporting requirements may result in termination of this Grant Agreement or suspension of any or all outstanding Payment Requests and may jeopardize future grant awards.

Final Accounting/Annual Report

The Grantee shall submit a final accounting to the CIWMB for the term of the Grant Agreement. The final accounting shall include the following **Disclaimer Statement**:

"The statements and conclusions of this report are those of the Grantee and not necessarily those of the California Integrated Waste Management Board, its employees, or the State of California. The State makes no warranty, express or implied, and assumes no liability for the information contained in the succeeding text."

The Final Accounting/Annual Report shall include detailed expenditure information and supporting documentation of all grant expenditures (e.g., copies of invoices, receipts, timesheets, payroll reports) that enables the CIWMB and auditors to determine the specific uses of grant funds. See the RECORDS AND AUDIT REQUIREMENTS section below and the AUDIT/RECORD ACCESS section in Exhibit A (Terms and Conditions) for additional information.

REPORTING TIMETABLE

Grant	Grant Term	Annual Report and Final Payment Request Due Date
EA19	July 1, 2008 to June 30, 2009	October 30, 2009

INTEREST ON ADVANCE PAYMENTS

- All interest accrued and received from advanced grant funds shall be used only for eligible expenses related to the performance of this Agreement and all purchases made using accrued interest must be pre-approved in writing by the CIWMB Grant Manager. Expenditures of earned interest must be included in the LEA Grant Budget Report for approval by the CIWMB Grant Manager.

- Interest earned may not be spent until the full grant award has been expended. The earned interest must be reported in the final accounting. If no interest was accrued during the fiscal cycle, a written explanation must be submitted. All unused interest or unspent grant funds must be returned to the CIWMB at the end of the grant term.

REQUEST FOR FINAL PAYMENT

Upon approval of the final accounting, the Grantee is eligible to submit the final Payment Request for the remaining ten percent (10%). The final Payment Request form shall be submitted prior to or with the Final Accounting/Annual Report and must be accompanied by supporting documents (e.g., copies of invoices, receipts, timesheets, payroll reports) to justify reimbursement of the 10% withhold. This form may be found at: <http://www.ciwmb.ca.gov/Grants/Forms>. It may also be obtained by contacting the CIWMB Grant Manager. Payment Requests may not be submitted by E-mail or FAX.

RECORDS AND AUDIT REQUIREMENTS

As more fully described in the attached Terms and Conditions "Audit/Records Access" provision, this grant is subject to a desk or field audit. The Grantee must retain all financial and grant program documents including, but not limited to, statistical records, supporting documents, source documents, expenditure ledgers, payroll register entries, time sheets, paid warrants, contracts, change orders, invoices, and canceled checks that substantiate the expenditures claimed. These documents must be available at the time of an audit.

If an audit reveals that the CIWMB funds are not being expended, or have not been expended in accordance with this Agreement, in addition to any other rights of the CIWMB, the Grantee may be required to forfeit the unexpended portion of the funds, and/or repay the CIWMB for any improperly expended monies. Additionally, future grant awards to the Grantee may be jeopardized.
